#### Notes for COONRAD MINGOS:

Conrad(Coonrad) Mingos,Menges,Mingus,Mingos (F3) Family Knowledge - by hearsay

Although later we find Conrad (F2) 's wife Maria in Tyrone ,NY and in 1800 L Mt Bethal Census

Date of Rec 12/28/1818. He left Portland and went to Lansing, Thompkins Co, NY  
1818, April 1 It is unlikely that Alonzo was b. near Portland, Pa. Two census say b NJ which is not supported by data.

Here again the six boys don't allow for Jacob b 1810 unless Philip has left the homestead. No record of  
him at Independence, 1 5-10 Conrad, 2 10-15 Alonzo & Joe, 1 15-20 Charles, 2 20-30 Philip & George  
1837, Dec 29(26) Conrad bought land from John Read of Phila through his attorney in Monroe, Pa. Conrad

and John's original properties are shown on two maps: 1. The 1858 survey by Lake Ames & Davison  
2. The 1869 Atlas surveyed by Beers. Bradford Co Court House, Records Office Nov 1974. I have had the following for 30 years, but because only Conrad showed in the 1838 taxes and in the 1840 census Joe was in his family, I did not realize that Joe also bought land.

| Grantees | Grantors  | Bk & Pg | Date of Ack | Date of Record      | Location |
|----------|-----------|---------|-------------|---------------------|----------|
| Conrad M | John Read | 14 253  | 12/1837     | Jan 1837(must be 8) | Monroe   |
| Joseph M | John Read | 14 255  | 12/1837     | Jan 1838            | Monroe   |

Joseph's land, bought at the same time, cost \$50. legal money of the US. The land is described as "beginning at a corner of a lot of land contracted to Elias Thompson in the line of a lot of .. late...Phillips now Isaac....South Forty and a half...west 58...to a corner".

In the 1970's Joseph's land was being farmed by Edward Mingos, b 1910

- 1837 Conrad sold farm in Allegany Co to son, John, & went to Hollon Hill, Pa. John gave deed to brother Charles,  
1838 Conrad is assessed in Monroe Twsp- Bradsby's 1891 History.  
1840, Feb Son John buys land from John Read on Ellis & into Hollon Hill, which is Monroe Twsp. An original house is now just a stone cellar, a few hundred yards on the Tow Twsp(formed in 1851) side of the Asylum border. It is on the north side of the road going from South Towanda up onto Ellis Hill. Harold Kilmer, Sr told me in the 1970's that Albert (Lorenzo A Mingos) was the last to live there - d 1906.  
1840 Census Monroe Twsp Coonrad MINGUS and Sarah plus 1 m 15-20 and 3 m 20-30. Alonzo 22, Joe 25, Philip(35) and it is Conrad(4th) 15 years old. Since Joe is with Conrad in the 1840 census he must be single and no house on his property bgt 1837. Philip doesn't fit the census bracket, and Charles & George are in the 1840 Allegany Co census. If Philip is elsewhere in 1840 with a wf & 4 yr old girl, then this could be Jacob 1810, but never a record of Jacob in Monroe Twsp. Conrad b 1825 goes back to Independence and m's  
1840 census John Mingus Pg 311 12100001 2023001. The 7 girls are all John & Nancy's.  
1844, April Conrad bought from Joseph - Date of Record 11/1844. This is curious, some kind of arrangement in 1837.  
1848, Jan 31 Conrad, Philip, Alonzo Taxables in Twp of Monroe. John & Joseph must be on another page. Whatever the source, I had this at the very beginning of my research notes dated Feb 1973.  
1850 Census Coonrad & Sarah 73 yrs both. Philip and Nancy(14) are in the same household! \$1500 Real Est. farmer  
1852, Jan 29 War of 1812 Land grant application, Bradford Co court house. This was BIG, the first time I put this all together. Peter Minges, age 59, Town of Bradford, NY substituted for his father who had rheumatism, Nov 1814, at Marcus Hook. Also an affidavit from Northampton Co. Conrad Mingos, aged 76 drafted Upper Mt Bethel. Conrad is old, poor & infirm whose memory has in a great measure departed-20 Feb, 1851. Conrad MARKED. Alonzo's signature seems to be his.  
1853, Nov 12 Alonzo bought from Conrad \$250. 28 acres the other part to Joe,  
1855, Aug 16 Declaration to obtain bounty land for War 1812 service - he Marked. James Walker, Nat'l Archives, pulled this out of military files one day while I was working on Pa Arch. There is some question as to whether they got any land. In March, 1857 the application is suspended and re-examined. He is entitled to 120 acres.  
1858 Lake Ames Map. By comparing the 1850 Census household #'s to the map I finally get the picture. N to S John 26, Joseph 27, Coonrad & Philip 28, Chris Piatt 29, Alonzo 30 and W Goff is 34 to validate the dirt road. 1885 Pg 137 Heverly, "settled upon the place now occupied by his son Joseph".  
1860 Conrad age 90( wrong) with Alonzo. Interesting, also with John in 1860 census. Alonzo is across the dirt road from the original farmhouse - Monroe Twsp with P.O. Towanda & Liberty Corners  
1863, Aug 16 Bradford Reporter, Sept 10 death notice. "In Monroe township, COONRAD MINGOS, aged 95 (wrong) 11 months". Strange, they didn't know his age 86 yrs, 11 mos. buried Liberty Corners cemetery, lot #25. In 1984 I replaced the thin field marker which was gone with a new marker. Sarah's stone says "Wife of Coonrod Mingos".

Coonrad Mingos was the progenitor of most Mingos, the name becoming eminent from Bradford Co.

There are no known pictures, family bibles or material items from these 1st three generations. Now an 1857 handwritten letter by Alonzo Mingos, 4th generation, has surfaced. A picture of Coonrad's & Sarah's gravestones are on Pg 37 of the Monroe Twsp Cemeteries 1991 pub. by Linda English. An observation: of those males carrying his genes who left the Tri Co area and died, few appear to have had male children who continued the line into today - 2005. ie Harry Lee, Dr Jay, Lindrof, Dr George W, John Wallace, Wells, and John Frederick. Francis Carl in Kansas and Robert Mingus from Allegany Co, NY had male issue. James Mingos from Stueben Co, NY also had a line in Indiana.

In 2005 My Family.com list of Mingos people, there are about twenty listings that are not from Coonrad Mingos in Bradford Co, Pa. In the 1930 Fed census there was only one non- Coonrad family in Fresno Co, Cal. On the 2005 Soc Sec Death Index there are 6 of 31 non-Coonrad individuals.

Notes for SARAH:

Her monument survives in Liberty Corner Cem. - died in the 74th year of age. Wf of Coonrod Mingos

Children of COONRAD MINGOS and SARAH are:

2. i. PETER<sup>4</sup> MINGUS, b. 12 July 1797, Forks Twp, N'ton Co, PA; d. 15 September 1860, Schuyler Co. NY.
- ii. MARIA MINGUS, b. 1799, L Mount Bethal, N'ton Co, Pa; d. Bef. 1810, Not 1810 Census.

Notes for MARIA MINGUS:

1800 Census one dau under 10

1810 Census one dau under 10. This has to be Elizabeth b 1804

3. iii. JOHN MINGOS, b. 5 May 1800, L Mt Bethal, Northampton Co, PA; d. 13 December 1871, Liberty Corners cem, 71 yrs 7 mos 8 da.

Notes for ELIZABETH MINGOS:

Monroe Cemeteries, by Linda English shows two Elizabeth Piatts on page 42.

As they lived next to Coonrad's farm on the dirt road on Hollon Hill, I just assumed that the surviving widow Mrs Elizabeth Piatt, was the Mingos. It is looking now like that the 1st wife who died 1842 was Elizabeth Mingos. 1858 Lake Ames map shows Mrs Piatt just south of J Mingos. The 1858 Tax Assessment shows Christopher Piatt 18 acres Imp, 12 ump, house, 2 horses & 2 cows.

1859/60 Brad Co Tax Assessment shows Piatt, Elizabeth with the same assets.

1860/70/80 census If she was a Mingos and a widow, she should be listed or at least be with one of her brothers.

Notes for CHRISTOPHER PIATT:

1797, Feb 22 b Fred Piatt in NJ, who settled Angelica & Allen towns in Allegany Co, NY. Pg 420 of Hist of Allegany Co by Minard we find a French connection between the town of Angelica, NY & French "Azilum" (1796) in Bradford Co, Pa. So the French Piatts are following their kind in both these settlements. On pg 429 is Charles Piatt (abt 1750), grandfather to Fred, who could be related to Charles Piatt of 1840 Monroe Twp. Fred also had a son Charles.

182x Fred Piatt settled Sparta, Livingston Co, NY

1824, abt Elizabeth Mingos m Christopher Piatt Allegany Co, NY. source Alice Ellingsberg Strouse File.

1830 census Independence, NY pg 123 2 households with C Mingos Christ' Piatt 20-30 & female 20-30

183x Letter from Madeleine Lynch says: This Piatt family lived in or near Angelica, Allegany Co & Arkport, Steuben Co NY. Arkport is 20 miles East of Angelica.

1840 census Monroe Twp Christopher is here already. 001001 000001 tot 3. Age confirms 30-40. The 10-15 year old boy is not John Morris, who arrives in 1842. Same pg is Daniel Piatt 20-30 and Charles 60-70 who must be the father of these two - he b abt 1775.

1842, Chris's 1st wife was Elizabeth b 1803, d April 9, 1842 age 39 3 mos. Pg 42 Monroe Twp cemeteries. it is logical that this was Elizabeth Mingos, dau of Coonrad.

1843 remarries, child age 7 in 1850 census

1850 census Second wife Elizabeth b NJ is 46 yrs.

1856, Jun 3 Chris died from a Madeleine Lynch letter of 1972.

1858 Lake Ames map shows Mrs Piatt just south of J Mingos. The 1858 Tax Assessment shows Christopher Piatt 18 acres Imp, 12 Ump, house, 2 horses & 2 cows. date of assessment was Nov 26, 1857. Also on this tax was J.M. Piatt 16 acres Imp, 25 Ump, house and 1 cow.

1859/60 Brad Co Tax Assessment shows Piatt, Elizabeth with the same assets.

1860/70 census nothing

1880 census John Morris is in Monroe Twp, probably same farm & his dau is at next farm of Daniel Benjamin,

Dwelling 33 & Joe Mingos is in dwelling 39. So there is some relationship of these Piatts.

The 1858 Lake Ames map shows J Mingos in Towanda, just across the Monroe Twsp line. In the 1840's all of Tow. was refered as Tow Tsp, although officially the Twsp was separated from the Boro in 1851, so the old stone ruins is John's org house.

1850 Census farmer. real estate valued at \$3000. All single childen present. D # 26 Monroe Twsp.

1858 J Mingos is shown in the Tow Twsp corner next to Durell, which became Asylum in 1853.

Harold Kilmer, Sr told me in the 1970's that the stone ruins just on the Tow Twsp side of Asylum was an original Mingos house, and that Albert (Lorenzo A) was the last to live there. 1870 Census John. age 70, with Philo Monroeton Boro

1871 Source - Brad Reporter 4 Jan 1872 " In Monroetown, Dec 13, 1871, John Mingus, aged nearly 72 years. He was born in Northampton Co, Pa of German descent, his (g) grandfather having come from Germany. In 1815(17) his father moved to Tompkins Co, NY where they lived until 1821(23) when John Mingus m. & settled in Allegany Co. In 1840 he came to Monroe where most of his descendants now live. His father died in 1863. Nancy died the previous year (Jan 1862). They had 14 children, 11 now living, all married and living within a ten mile radius! His living descendants are 11 children, 44 grandchildren and 6 grt- grandchildren". "He was a man of peace, and had no contention with his neighbors. None doubted his integrity, and he was punctual to a fault. He enjoyed reasonable health until he was taken with the stroke of paralysis from which he died".

1991 His monument matches Nancy's but is broken, the bottom is gone. It lies face up and is in very bad condition.

Notes for NANCY SHAVER:

1802 "Nancy" is Hannah Shaver, 2nd ch of Benjamin. So Nancy was b either in Pa. or NJ as she claimed.

3 separate inventories of the cem say 1800 on the gravestone, but the census say otherwise.

1823 The Shavers are prominant in the village of Freeville. John C Shaver came from NJ to Ithaca where

he was actively engaged in building boats. He located on the farm in May 6, 1823. His eldest son is Ira C b 1817. Maybe this John C is a brother of Benjamin Shaver. Coonrad left this area April 1823.

Notes for ALONZO L BENJAMIN:

ALONZO E. BENJAMIN, farmer, Albany township, P.O. New Albany, was born in Asylum township, this county, May 5, 1838, a son of John V. and Betsey Elizabeth (Bennett) Benjamin, natives of Albany township and of English descent. His father was a farmer and lumberman. His grandfather, John Benjamin, also a farmer and lumberman, was a native of Goshen, Orange Co., N.Y., and was one of the pioneers of Asylum. It is thought that the great-grandfather was also a resident of Asylum, and died there at a very old age; he was a soldier of the Revolutionary War, and a pensioner; he was a man of influence. Benjamin Bennett, the grandfather on the mother's side, at one time owned a grist and saw mill at the mouth of the creek near where W.R. Storrs now resides; he died at the age of ninety-eight years, a pensioner of the War of 1812. Our subject was reared on his father's farm and engaged in farming in Asylum; he was ten years in Monroe township and removed to his present farm of one hundred and fifty acres, in 1881, one of the finest properties in the township. In October, 1861, he enlisted in the Civil War in Company G, Fifty-seventh P.V.I., was in active service three years and two months, and was under fire a large number of times, receiving on slight wound. He was a prisoner in Libby prison about six months; had also four brothers in the war, making five of the family serving their country at one time. He was married March 20, 1866, to Eliza Mingos, whose ancestors were among the early settlers of Towanda township. To them have been born one daughter (now deceased) and one son, Almond H., who resides with his father. Mr. Benjamin is a member of the G. A. R.; politically he is a Republican, and he is one of the most successful farmers in the township. Source Bradsby.

Notes for PHILIP MINGOS:

1805 Upper Mt Bethel Church records, north of Easton, Pa. Philip and John Carl(Charles) are the only two of Coonrad's children to be listed. Conrad,husband Sarah wife had PHILIP. born 12 April 1805 Baptized 7 July 1805 Sponsors: Philip Hilgert Maria Menges

1810 b Pa Jacob Mingus in the 1860 census of Independence Twp, NY. He is on the farm next to George Mingus b 1808. There is no validation that either Philip or Jacob where in Lansing, NY or earlier in Independence or Monroe,Pa I am reluctant to enter Jacob as a child of Coonrad. However two of the census - 1810 & 1840 leave room for a Jacob in the age brackets.

1840 census Monroe Twsp Philip's age does not fit the 3rd boy with Coonrad. Also he should have a 4 yr old girl,Nancy, with him who was b Pa. Maybe Philip is somewhere else in the 1840 census - check the Index book at the National Archives. 000130001 1 15-20 =Conrad b 1825, 3 20-30 Alonzo b 1818, Joseph b 1815, and either Jacob b 1810 or Philip b 1805 which doesn't quite fit. There is no data showing Jacob ever was in Monroe Twsp, Pa.

1845 I have a deed entry for Philip which I did not copy the data - Towanda Court House. Alonzo m after the move to Pa. There is no record of Philip's m or wife. Maybe he m in Pa to a widow with Nancy, b 1836 Pa. or was actually in Pa before Conrad & Joseph bought land.

1848, Jan 31 Philip is on the Monroe taxes with Coonrad & Joe - no John on Ellis Hill must be Towanda,(Tow Tsp in 1851)

1850 census Philip age 42 (45,another example of wrong age) \$200 Real Est farmer :Same Family # = house # 28 as Coonrad. Nancy age 14 says b Pa? This is interesting. Who did Nancy marry? Was her mother a widow from Pa? No record of a m by Philip or that he is in Pa by 1835.

1853 Philip is not in the split up of Coonrads land. This is strange as he is still there in 1857.

1858 Monroe Twsp tax Assessment dated 26 Nov 1857 Mingus, Philip House \$10 12 imp \$120. So Phil has a

small farm and is a candidate for being P Mingos on the 1858 Lake Ames map, across the road from Conrad. The house sequence is Philip, Joseph (Coonrads original house valued at \$100) , Alonzo, JM Piatt and Christopher Piatt.

There is a case to be made that Jacob b 1810 is a son of Coonrad & Sarah of Upper Mt Bethal Twsp, Northampton Co, Pa. The 1810 census is 32010 males: Peter 1797, John 1800, Philip 1805,George 1808 and the 5th boy could be this Jacob. However there is no validation of this in the 1820/1830 census's. In 1840 Monroe Twsp, Bradford Co, Pa there is a possibility. 3 males 20-30 Alonzo b 1818, Joseph b 1815 and either Philip b 1805 or this Jacob. However Philip shows in Monroe land bgt in 1845, and Jacob never shows in Monroe

1897, Nov 4 BCHS J.W. Mingos, formerly of Liberty Corners, but now conducting a flourishing business at Frisco, Oklahoma m Oct 20 Miss Helen Simpson of Arnot, Pa. (10 miles S of Mansfield, Pa. - a mining town). J W is abt 51 yrs. In W Yukon today there is a Frisco Rd & a W Frisco Rd. Likely the newspaper article is referring to today's & 1910 Frisco Twsp. There is coincidental a town of Frisco, 75m SE of Ok City near Stonewall, & the map shows it between Coal Co & Pontotoc Co. 1880 census Arnot I didn't find Simpson's on a partial search. It's likely they were miners and moved toward Barclay or Monroe.

ALONZO<sup>4</sup> MINGOS (*COONRAD*<sup>3</sup>, *CONRAD*<sup>2</sup> *MENGES, JR, J CONRAD*<sup>1</sup>) (Source: 1851 Tow Court House, Land grant application.) was born 1 April 1818 in Thompkins Co, NY near Lansing, and died 27 June 1884 in Monroeton Boro, Coles cem, new marker 1984. He married (1) PURSILA BOIS, daughter of STEPHEN BOIS(BOICE) and MARY. She was born 9 February 1823 in Candor Twsp, Tioga Co, and died 4 September 1863 in Coles cem, Towanda Twp. Notes for ALONZO MINGOS:

Alonzo Mingos(F4) Family Knowledge: none, only research

- 1818 His obit says b Thompkins Co, NY on April 1. Conrad(F3) has a Date of Deed sale on Oct 10, 1817 with Date of Record both Oct and Dec 1818. I always presumed they moved to Lansing in about Oct 1817, but maybe there is another scenario for Sarah who is pregnant. Born in NJ on 1850 & 1880 census. In logic the NJ entries are odd. I must believe the obit. There are lots of Alonzo's in this period. There was a children's book in the early 1800's 'Alonzo & Melissa' Pg 153 Bradsby, Hist of Brad Co.
- 1837, Dec He is the youngest of Conrad's children to come to Liberty Corners (how long did it take to drag lumber up the hill and build a house? The family may not have arrived until spring 1838)
- 1845, Oct 28 1st land action Bgt from Valentine Strouse Monroe Twsp - \$270, but 1867 sale says Durell. Alonzo - no deeds in original Conrad, Joe & John farms. Valentine's Bro Jonas Strouse m Sarah Mingos, dau of John in 1843. Valentine bgt this 58 acres (560 x 500 yards, lengths = to a par 5 golf hole) from William Strouse on 30 Dec, 1843. It begins at a white oak corner of a lot of land joining Joseph Mingos and Samuel Dimock. It looks like on the 1858 map that Joseph is on the East side of the road, but his name is on the West side.
- 1848, Jan 31 Monroe Twp taxes Conrad, Alonzo and Philip
- 1850 Census value of real estate \$1000 farmer Monroe twsp. Both he & Pursilla b in NJ is odd. Alonzo is House # 30 ! Located him finally. Chris Piatt 29 (Wf is Eliz, dau of Coonrad) is on the West side of the road, Coonrad & Philip 28, Joseph 27, and John 26. The 1867 sale says Durell, so that this 58 acres is on the East side of the dirt road.
- 1852, Jan 29 before Justice of Peace Conrad's land application War of 1812  
In the presence of ALONZO MINGOS Justice Jared Goodenough
- 1853, Nov 12 28 acres from Conrad, East side of road. "hand paid" \$250. The land shows on the Lake Ames map across from Coonrad's! After all these years, finally located Alonzo's farm with Pursila & children.
- 1857, Jan 28 Letter from Alonzo (Monroe Tsp) & Pursila to Abram Bois (where?), mentions Philo. Original with Elaine Heddle. The letter is in Alonzo's hand writing - same signature as 1851 land application at Towanda Court House. He is bargaining for farm land for Abram - 50 Acres from Philo Mingos in Monroeton or the farm of Mr. Hale. Both sellers want about \$300 downpayment and a team (horses). This is the only known artifact of the 1st 4 generations of Menges/Mingos.
- 1857, Dec Alonzo sold 20 acres unimproved Durell land to D O Holland & Daniel Heman Jun 1858.
- 1858 taxes dated 26 Nov 1857 Mingus, Alonzo 10 acres imp \$100, 15 acres ump \$75, house \$40, \$50 2 horses, \$10 1 horse. These Mingos were not dairy farmers - grain & products.
- 1858 Map Lake Ames - a J Mingos house was in the new Tow Twsp. South Towanda Twsp came into existence on Dec 15, 1851! Subsequently "South" was dropped for Towanda Township. In Durell is P Mengos & B Mengos! In Monroe Twsp on the S to N dirt road is A or P Mingos, J Mingos & J Mingos. The Oct 4, 1858 tax assessment in sequence shows (S to N) David, Joseph, Alonzo and then Philip. Alonzo is 40 acres imp \$360, 30 acres ump \$150, house now \$100, \$50 2 horses, \$24 2 cows.
- 1860 tax assessment dated Oct 3, 1859 David(south), Joseph, Alonzo, Philip and Philo. Alonzo's taxes are the same as in 1859 except the two cows are only \$20.
- 1860 Census Monroe Tsp shows Conrad with Alonzo, value of land increases to \$2500. personal property \$100.
- 1863 1st wife Pursila Bois dies. 1864 Remarries Cornelia S David at residence of H S Hollon, Rev R L Stillwell
- 1867, April Monroe deed book, Alonzo to Eliza Benjamin. This must be the farm across from Coonrad & Joe - but I haven't checked the deed. Also Tow Boro next deed book entry, Alonzo from David Pratt, physician
- 1869 Map Atlas by Beers - WOW Alonzo Mingos on State St. Tow. His 1st move after remarriage - near Dr Pratt

- at corner of State & Main, and two houses East on State St from his office, I finally found Pursila's parents, one mile up the hill from the Monroeton bridge. Oct 13,1869 Brad Co Tax Assessment(1870) - Mingos, Alonzo House & Lot \$750, \$40 1 horse, \$40 Buggy
- 1870 After 30 years, I still can't find him in 1870 census? His sons Charles & Warren are working on the Stephen Bois farm one mile from Monroeton bridge. It must be that Alonzo, Cornelia, Legrande, Abram and Wells were missed in the 1870 Census. Wells is not in 1870 Renova, Clinton Co where he died in 1873. I have searched Tow Boro Microfilm and Quest Index CD of Brad Co - nothing. A search of 1871 Assessment books in BCHS proves he was there - Oct 15,1870 House & Lot \$750, \$50 1 horse. The only thing I can think of is to go to the National Archives and request to look at the original census pages for 1870.
- 1871,May Tow Boro Alonzo from Lewis Beach & to LL Beach. Lewis L Beach 57y is a farmer in Springfield Twsp. Lewis B Beach( son) age 29 is a physician in Tow Boro. Maybe using Dr Pratt's facilities?  
Oct 11,1871 Towanda Boro Tax assessment(1872) Alonzo Mingos \$20. Mason
- 1873 Wells Mingos dies in Renova, Pa 1874,May South Towanda Alonzo to Elias Hale
- 1876,April Towanda Twsp Alonzo to/from William Patton - land on West side of Creek. The J Bowman heirs had ownership of land west of the Monroe- Tow road and Edward Mingos had m Francis Bowman.
- 1880 Census Towanda Twsp, age 60 stone mason, unemployed 8 mos. b NJ fa NJ mo NJ . Again this is strange. (N.R.=not related) (Lydia) Ayna May age 1 - border. Cornelia 43 b NY fa NY mo Ct, LeGrand B 10 attending school, b Pa fa NJ mo NY. Again the b NJ for Alonzo? Fam # 42 A son, Abraham is working on Joe's farm. Comparing the household #'s to the 1869 Atlas, they are on the Tow-Monroe Rd north of Coles cem, probably on the dirt road running west up the creek bed.
- 1882,Jun Tow Alonzo from J G Patton
- 1884,Feb 15 Last will - identical signature as 1851 and 1857, so he could write? witness O R Bowman and Cynthia Bowman. Admitted April 17,1884. Edward m. Francis L Bowman. Alonzo's house # in 1880 census is near O R Bowman! on the Tow Monroe road. Prob West along the creek about a mile north of Coles cem.
- 1884,June 27 OBITUARY, ALONZO MINGOS Bradford Republican Newspaper, 7/10/1884  
"DIED MINGOS AT MONROETON,June 27,Mr. Alonzo Mingos ,aged 66 years.Mr.Mingos was born in Thompkins Co,NY April 1,1818. He was of German descent, his (g) grandfather having come from Germany. When about 19 years he come to Bradford Co where he has resided till his death.He leaves a wife (Cornelia) and four children to morn his death. ( Edward,Warren,Charles,Legrande)". Was he with Edward or at his home near Coles cem?
- 1884,July see Cornelia " estate of Alonzo Mingos". I now have 3 Monroeton funerals in the mid 1880's where there is no gravestone? Stephen Bois d 1885, Alonzo and Alverilla Mingos, Wf of William Mingos. Something must be askew at Mr Richart's. Alonzo is living 1 mile North of Coles cem, and likely was buried there. In 1880 census and 1885 Monroe History Richart is listed as blacksmithing & wagonmaking, not undertaking.
- 1886,Jan deed book Cornelia S to Salamon Talady Tow Twsp. Property near Coles cem?
- 1964 Brad Co map shows six houses on road T400 N&S. 2 houses on the West, 4 on the East.
- 1972 In family bible, I have an old man's picture which could be Alonzo or Alonzo Bowman. It looks like Edward in his younger picture, but the jacket is very old style. Bible was kept by Francis Bowman.
- 1984 I placed a marker for Alonzo in Coles cemetery next to Pursila Mingos. It's strange, Henry never knew about Alonzo or the Liberty Corn. families? And neither Edward or Cornelia put a marker on Alonzo's grave?

#### Notes for PURSILA BOIS:

- 1869 Whoa! After all these years. S Bois is in Dist 7, Monroe Twsp, 1869 Atlas by Beers - one mile from the Rockwell jail and Towanda Creek bridge.
- 1870 Stephen Bois is in 1870 Census, with Alonzo's boys Charles and Warren Mingos working at his farm.  
I've had that info for 30 years - couldn't make out the spelling of the farmer?

 1870 I couldn't find him or Alonzo in the Bradford Co census? I have scanned thru over 20 census pages of Clinton Co,  
 Renova, Pa! This town on the West Branch of the Susquehanna River, 30 miles west of Williamsport, Pa, was a

- 1869 Beers map \_P.M. on Rt 209 near creek. Bradsby Hist: Charles Brown came to the Twsp and settled the Philo Mingos place before 1813. I once visited the place on the East side Towanda Creek. The house is very old - prob built before 1840 - no weights in the windows. Nearby was Hagerman Cider Mill & shop & race-stream which shows on the 1869 map. Two millstones known. One was found but covered by the 1972 Hurricane Agnes. The shop house was removed from foundation when Buff Young foreclosed on a grocery bill. An old road across the creek shows on the map by this place. The grave lots are of Brown - White and are unmarked at the edge of the Loomis property (now) near the old Tow-Monroe road. Estimated cost \$3000. The brethren didn't occupy until 1880. I visited the Lodge with Henry in the 1940's.

H. O. Smith died of heart failure Sunday morning at his home in Ulster. Mr. Smith was in usual health until Saturday evening. He was born in Middletown, Conn., and was for 45 years a resident of Elmira where he was well known as one of the leading architects. He was a member of the Southern Tier Odd Fellows Lodge for years and held one of the highest offices conferred by that order. He was of genial disposition, won many friends who will regret his untimely death. He is survived by his widow and two daughters, Mrs. L. M. Mingos of Towanda, Pa., and Mrs. Sim Pulen of NY

So it is this Bessie who I, John Mingos, worked for in the summer of 1950. I chauffeured her in the 1939 Cadillac to Wash, DC when I was only 16.8 yrs old. Janis Travis worked inside the house, and Harry Lapham took my job when I went to Dupont. Later Billy Fitzgerald worked for her, and drove her to Binghamton. 1864, Dec 9 George E Arnout enlisted with him and died 12/9/64! day 3 of the Dec 7-11 final operations prior to winter camps. Two engagements - Hatcher's Run & Hicksford 35 miles S of Petersburg. They made big fires. It was awful cold, the wind went right through us. Hail and sleet which, with exerable roads and worn out shoes made our cup of misery full. The siege of Petersburg "Richmond Redeemed" by Richard Sommers, Pub 1981 thru 5th Offensive, Oct 1865, Feb 6/7 from the book 'Last Citadel'. It was bitterly cold, and we were soaked with rain, which froze and stiffened our clothes. The rain changed to snow. Union losses in the Feb 5-7 actions 'Confederate and Union Lines near Hatcher's Run' were 171 killed, 1181 wounded and 187 captured or missing.

**32. AARON<sup>6</sup> STROUSE** (*SARAH<sup>5</sup> MINGOS, JOHN<sup>4</sup>, COONRAD<sup>3</sup>, CONRAD<sup>2</sup> MENGES, JR, J CONRAD<sup>1</sup>*) was born 17 March 1847 in Elmira, Chemung, NY (Source: marriage certificate, 1850c, Chemung.), and died 4 April 1913 in Paha, Adams, WA (Source: letter from wife). He married SARAH ANN RICE. She was born 29 August 1853 in PA (Source: death certificate), and died 4 June 1920 in Johnson City, Broome, NY (Source: death certificate).

Notes for AARON STROUSE:

Aaron Strouse has always been a mystery. He was thirteen when his Father died. At the age of twenty one, he married Sarah Ann Rice. Sarah was only fifteen years old. It has been said that Aaron and Sarah had four children, yet only two can be accounted for. After ten years of marriage, Aaron filed for divorce. The actual decree has never been found. His son, Harry, never forgave him for leaving and refused to communicate with him. Aaron later married Helen Hancock, of Waverly, New York. Helen suffered from severe mania and died on 13 June 1897 in the Binghamton State Hospital. Following her death, Aaron traveled west. He settled in Adams, Paha, Washington, where he met and married Mary Dibble, a widow, on October 9, 1903. Aaron died on 4 April, 1913 of chronic intestinal nephritis. Following his death, his wife, Mary wrote a letter to Harry Strouse, his son, offering to send him his Father's rifle, if he would send her the postage. It appears that Aaron's early life was not always a happy one. While we will never know the reasons why he left Sarah, he was never forgiven. He died, never reconciling with his son. Yet, his final wish was for that son to have his gun. Apparently, he never lost track of that son, and never stopped caring. I hope that his final years were happy ones.

1866, Sept age 33 from 1900 Athens Boro census - Lottie E. cem stone says b 1867.  
1880 census of Athens & Twsp scanned Tri Co web site, no hits for a Lottie E age 14 yrs.

Eugene is buried in the Catholic cem, and James Lynch is pure Irish from Ireland. Doubtful that Lottie would have defected to a protestant Mingos. I also went thru South Waverly. There are enough Lottie's that this is probably not Charlotte.  
1885, Feb 14 there are ten references on the Tri Co Web site to James Lynch. Judge Morrow of Towanda sentenced James Lynch, John Burns and Nelson Palmer(related to Mary Palmer Pratt?) to the penitentiary for larceny.  
1889 GW's obit says he came to Athens abt 1889.

1919, April 3 The Evening Times, Sayre Obit of James D Lynch 87 years old (b 1832) formerly a resident of Athens. Quite well known in Athens. He is (survived) by one dau FLOR (the copy is unreadable, but could be Lenora), Mrs. Ray Hartec of Clark Summit and 3 sons - all Doctors or dentists ! named in the obit. So if Lottie was a LYNCH, she named her dau after her sister. This is strange that GW & Flor went to the funeral if they weren't related. Unless, for example, Lynch held a mortgage on the restaurant.

She sent me a number of typed letters on Minges, Mingus, Mingos. She had been to Towanda and Liberty Corners and done some amount of basic research. She had been evicted from her home in 1969 by the State of NY for a new highway building. She had moved to a tenant house and when I found her she had all her genealogy in storage boxes. Then in 1972 she was victimized by the Agnes flood, vandalism, burglary and so she lost many genealogy records/artifacts.

- 1887 Her father, Timothy Duggan, died when she was six months old. Her mother Catherine Duggan, remarried to James Devaney. Irish descended families outnumber Welsh in the Duggan surname by 8 -1. Some Duggan lines in Brad Co are from South Wales and are protestant. But Timothy doesn't fit in their genealogy, and the outliers are more typically Irish or Catholic.
- 1889 died Margaret Donnelly, single stone SS Peter & Paul cemetery. If this is the g-mother of Margaret E Duggan (Devaney), then Joseph H Mingos b 1888 married into an Irish family.

- 1936, Oct 26 Towanda Daily Review F.E. Mingos of Monroeton Dies Veteran Station Agent Passes Away at Hospital in Waverly Fred E Mingos resident of Monroeton, passed away last evening at the Tioga General Hospital in Waverly, NY. He had been a patient there for the past two weeks and was thought to be recovering nicely from the operation. Most of yesterday members of his family were with him and were encouraged by the progress he appeared to be making. Late in the evening, however, Mr Mingos suffered a relapse, the end coming quickly. ( He had an operation for ulcers. He was flat on his back, medical practice at the time, and died of a blood clot).  
" Fred Mingos was born in Monroeton and was considered one of the highly respected residents of that community. For the past 30(38) years he was Lehigh Station Agent at Monroeton, also serving the New Albany station of late. The survivors are his wife, who was injured in an auto accident in-route to the hospital to see her husband soon after his admission ( Margaret hit a narrow bridge on the way North) : two sons, Henry E, who is employed at the Humphrey Lumber Yards here, and Carl, who is a student at Mansfield State Teachers College. The funeral arrangements will be announced later".  
My pencil notes from Vera - " Leah was placed in hospital all banged up, broken arm. Margaret had a broken finger. John had a bruise across his stomach. Margaret got some insurance money."
- 1936-9 Leah was Exec & Admin for Fred Fred was a life member of the Presbyterian Church in Monroeton.  
As a result, Henry took Margaret there, and John went to Sunday school there for a short while.
- 1936 Cemetery plot , the marker faces the Main Street, which was the old direction of the cemetery.  
The burials are behind the markers
- 1939, April 8 will probated "He left his entire estate to his wife Leah M, after which it was to go to his sons Henry E and Francis Carl equally". But Leah lived until 1968 and wrote a new will in 1963.
- 1975 Margaret Mingos donated Fred's and Henry's masonic jewels to Evergreen Lodge . In turn they were on display at the Brad Co Hist Soc exhibit.
- 2003 Fred broke the chain of family history. At age 15 he was at Alonzo's funeral and knew where he was buried. He also knew all the Mingos deaths in the early 1900's. He did NOT pass this along to Henry?

Notes for LEAH MAUD SNELL:

Family Knowledge : quite a bit, my paternal grandmother

- 1876 b. Chemung Co, NY 1880 Census says 3 yrs old. Included in this e-file/booklet is a Snell history back to Jacob Snell of Northampton Co, Pa and new logical connection to his father Abraham Schnell.
- 1898,Sept 1 m.to Fred Mingos Bradford Reporter 9/8/1898 in Chemung, by Rev S B Kieney
- 1898,Oct 5 Mrs. Fred Mingos spent a few days at her home in Chemung, NY - Bradford Republican
- 1905 Built and moved into what is now 310 Main St. Monroeton numbered the houses after Margaret's fire in 1976. The fire dept went to 310 Main St first, before going to the apartment on North Main.
- 1920 Census Leah's mother, Alice W Snell - a widow, is in Monroeton.This 3 bedroom house is crowded.
- 1920's According to Vera, Leah would tie up Carl in a high chair and go over to the railway station to help Fred . Henry was living at home and working as cashier at the Towanda station. I have a copy of a postcard at the railway station with Fred,Leah and Henry in behind large stacks of egg crates.
- 1933 Monroeton Bank closed. I presume Fred and Leah also lost some money
- 1936 Leah broke her arm, and was banged up in the accident that happened on the way to see Fred at the Waverly Hospital.
- 1936 After Fred died , there was a requirement that Leah co-sign Henry & Margaret's mortgage on the 3rd house from the feed mill. According to Vera, Leah wouldn't co-sign, and the house was lost. They moved, with John, into 310 Main St . 1939 Leah was the executor of Fred's estate.
- 1940's Leah occupied the front bedroom - she went away for years at a time, being a personal, practical nurse . I do remember playing casino cards in the front room, and sometimes she was in the swing on the front porch , as we cared for MARGARET'S CARD SHOP after school. The SHOP was sold in late summer of 1949 to Jake Housenick. In that front room I acquired a shaped tobacco pipe of Fred's.
- 1949,Aug On the front porch, Leah gave me for my birthday (Carl bought it), a King cornet. In Sept in a horn competition I won 1st seat in the Towanda HS band. In 1968 in Washington,DC I sold the horn for \$50. to Dick Wilson for his son.
- 1949,Aug John was sick with that Phila disease later called Legionneers. Leah was accused of something, and we moved to Towanda - for 16 years.
- 1950's Leah did a 6 month stay in Lawrence,Ka that didn't work out well. By the 1950's she had a private room on the top floor of the Jennings Nursing home. She was able to work in the home, and entertained in a rocking chair . I remember her giving me several little items in an act of good will.
- 1963 Leah's will left everything to Henry!
- 1964 Jeanine took her for a ride to an antique shop in Burlington. Apparently she was in good mental condition, and she bought Jeanine a small piece. I have no idea if she had any income like a railroad pension. To my surprise she is on the Soc Sec Death Index - 2nd Mingos to be on the index. It is unlikely she had Soc Sec deductions from her practical nursing with private individuals. Maybe she got Soc Sec Income in the later years for older people over 65 who have limited income or resources.
- 1965 There was a fire at 310 Main, which was occupied by renters. It was bad enough that the kitchen, which was an addition to the original house, and sat 6" lower than the original building, was completely rebuilt. The exit to the southside yard was done away with. After the rebuilding Margaret and Henry moved back to Monroeton!
- 1967,Aug 7 Admission to Brad Co Home
- 1968,April 5 Monroeton Woman Dies at 91 Towanda Daily Review " Mrs Leah S Mingos died Friday following a lingering illness. She was b Dec 22,1876 at Chemung ,NY, the dau of Henry and Alice Snell. Her husband d.in 1936.She worked at Jennings Nursing Home until 1962.She was a member of the Monroeton Presbyterian Church. Funeral services will be held Sunday at 3 o'clock at the Maryott Funeral Home. Rev Harry Porter Farr will officiate and the burial will be Monday".
- 1968,April 7 Henry and Margaret came from Daytona Beach, Fla and stopped in Potomac, Md with son John and Jeanine. They encouraged me not to come up to Monroeton for the funeral! Apparently there was a written document asking no one to be in the cemetery for the burial? Carl ,Vera Margaret and Henry stood on the front porch of 310 Main and watched from a distance.
- 1968,April 8 Certificate of Death natural causes 91 yrs Bradford Co Home, Burlington.There were no assets.

1905 John S Mingos living at South Main St, Towanda

1907 Jay Mingos in Monroeton. A letter from Elaine Heddle " Jay was a childhood friend & cousin of Dean A Bois".

The AMA card file says Monroeton H.S.

In reminiscing concerning the township, Supt. Morrow recalled the time back in 1907 when as principal of Monroeton High School he decided to put on a home talent show. It was his first attempt along that line and both he and the actors were a little worried over just how it would go over. Consequently, when some complications arose over getting the hall at Monroeton on the night desired, it did not take long to decide to try the play at Laquin first. That would give them a chance to see how it was before the home folks had a chance to criticise.

The actors and what paraphernalia was necessary were loaded on a train and taken to Laquin. The hall was packed. Men and women came from miles around on horseback and on donkeys. It was a big event up there for shows were few and far between. Many of those in the audience wore the big lumberjack shirts and some were seen to be carrying guns at various locations on their anatomy. There was no way for the actors and actresses to get out of town until the next day. The show had to be good and it was. Its title was "Among the Breakers" – a very appropriate name for a play in a coal mining township. All expenses were paid and there was a small profit. Besides that, the experience there helped greatly and the play was an unqualified success when it was repeated two weeks later at Monroeton.

Among those who took part in the production, a well balanced comedy-drama, were Earl Hinman, now teaching in Sayre; Leon Crandell, Dr. Jay Mingos, Robert Musselman, Lucy Drake and Mary Ward.

Notes for HENRY EDWARD MINGOS:

"My dad is gone now and I hope he is at peace for he worked long and hard for his family"

" Your dad had a host of friends.We did not go around socially, because I didn't belong to the clubs. But I enjoyed talking to him. He always had a story - talked loudly. I enjoyed him!"

David Gamzon 7/11/1984 age 69 working at Memorial Park

"I was so impressed with him - how would you like to come down here with me and learn the lumber business?. I do not recall ever any unpleasant words passing between us. He meant a great deal to me in so many ways - so many happy years with one of the finest persons I have ever known".

Edward Overton Sept 15,1972

1914, April 12 joined the Monroeton Presbyterian Church

1916 Finished 11 grades at Monroeton red brick school house. One of his teachers was Flora Woodruff who lived three houses South of 310 Main St

1917 Hurt his ankle while playing football at Towanda HS for his 12th grade. The ankle gave him some trouble all his life. One of his teachers was Jean Holcombe, who I also had for Senior English!

1918,Jun Grad Towanda HS. Started a life of work on May 1, 1918 for the S&NY railroad (before grad).

WW1 ended Nov 11, 1918 Armistice. Towanda Consolidated Lehigh Valley Railroad & S&NY were merged on Nov 1,1918. Lehigh Valley had Gov't control of S&NY until 1920. I have a history book of the

- Susquehanna & NY Railroad. 3rd Edition Publ 1939. Henry ended up working for LVRR.
- 1920 - 1928 clerk and cashier at Washington St. Station, Towanda LVRR - he is no longer with S&NY
- 1920 I heard he played drums at a local watering hole. He was catcher for Monroeton baseball team.  
He was proud that he caught for Jake Northrop, a Pro pitcher who later in life hired out for \$50/game.
- 1923 Mr. & Mrs L C Marcy entertain at dinner party for the 24th birthday of Prof. Walter Marcy. Guests include (could be Monroeton baseball team) Jake Northrop, Waldo Moulthrop, Richard Rice, Henry Rockwell, Grover Wheeler, Henry Mingos, Eugene Minier, Ralph Dunfee, Fred Smith, John Madden and Leo Marcy (played some pro ball for the NY Yankees).
- 1925, Dec There is a picture of a dinner-dance at Shores Inn, Rt 6 from the collection of J E Meredith in the January 11, 2005 Towanda paper that says that Mr & Mrs Mingos are in the picture. An email from Steve Moore, Moores Auto, says on the back of the picture - standing from left to right, 2nd & 3rd persons Henry & Margaret Mingos. Margaret must have been visiting Monroeton for the holidays - they weren't m until August 1926.
- 1926, Mar 2 H E Mingos of Monroeton purchases a new car.
- 1926, Aug 17 m. Margaret Delphine Hart in Wilkes-Barre. Best man was Harold Williams. Henry rode the train to Wilkes-Barre. He also visited with Peg in the summers at Lake George, NY and Atlantic City.  
On their honeymoon they took a train trip to Buffalo and Chicago!
- 1927, April 30 Monroeton Dramatic Club is presenting "Married Life". Members of the cast are Henry E Mingos, Mrs. Henry Mingos, plus eight others. To be presented in the new Wesley Hall.
- 1929 Sayre, Westbound yard of Lehigh Valley RR - billclerk
- 1929 Towanda, baggage master. Master of Evergreen Lodge No 163
- 1929 " Henry came into Ed Overton's office to collect the Lehigh Valley RR freight bills. In a moment or so he accepted ( the job), and thus began a long business association". This was very hard work. He opened the yard at 7:00 am and worked a 6 day week until after WW2. This may have been before the stock market crash of Oct 1929. In 1945 I would leave my bicycle at the yard while going to 10 cent Saturday western movies.
- 1936, Oct 25 Fred dies - this is upsetting. Leah would not co-sign the mortgage on the 3rd house from the feed mill. Henry, Margaret & John move into 310 Main St prob by xmas 1936. Carl coming home from Mansfield would have disrupted sleeping arrangements. John was occupying his bedroom.
- 1940's Every summer he would take us to the Wheelerville camp, and we would pick baskets of huckleberries, some for resale (.15 cents /qt) at the grocery store. By the late 1940's I don't remember Henry going hunting at all, but he did take me trout fishing and bass fishing. When I was about 14 yrs old we went to Canada for a week fishing. Later in the summer of 1952 Rueben Cronshee invited me to go with Tom Kohn on the same trip to Canada. He worked the Sunday newspapers at Margaret's Card Shop. Once on a windy day, he had to come save the day - I had papers blowing everywhere. He was always squeezing out \$ by projects, ie blueberries, Sun. papers, tax loss on Margaret's Card Shop, club Secretaries which he got paid a minimal amount.
- 1944 WW2 He was an airplane spotter on Sundays, his only day off. And of course, he had a Victory Garden  
On the Aircraft Warning Observer Card he is listed as 6' 2" and 205 lbs
- 1940's Reluctantly he drove us to a lot of Hart family gatherings, North Lake, Dallas, and Wilkes-Barre.
- 1945 Summer Somehow Henry arranged for me to attend Camp Brule as a Lone Scout. I had been doing some scout work in Presbyterian Hall, Monroeton. Maybe it folded? Anyway I was treated special!
- 1946, Nov Henry acquired 4 tickets for the Army-Navy football game in Veterans Stadium, Phila. He invited my cousin Paul Beers to join us, and WOW!, what a game. 21-18 Blanchard and Davis for Army and Pistol Pete Williams for Navy. It is listed now as one of the greatest college games ever! Navy ran out of time on the one foot line? As I write this on Jan 19, 2003 the last game ever was played today in that stadium-Tampa Bay wins over Phila Eagles.
- 1948, summer Henry coached (managed) our junior Monroeton baseball team. We were very good. One year our record was 22-4. John pitched- won 11 games. He drove Chuck Rubert and I to Bloomsburg for a major league tryout with the Phil. Athletics.
- 1948, Dec He took the first vacation I remember and drove us all the way to Key West, Fla. I think it was a 1946 Chevrolet, and we got back in time for me to start as center on the JV basketball team.  
I never remember my Dad letting my mother drive.
- 1949, sum He co--managed with Earl Brown and we entered a baseball team in the Tri-County league.  
Halfway to Powell they leveled a woods area and made a ballfield where my Dad said there used to be one years before. Whatever happened, I played again for the Browns the summer of 1953 on Browns Hill -my last baseball game in August versus Towanda. The game was forfeited - Earl Brown gave the umpire a concussion. I hitchhiked to Wallingford, Vt afterward to work as a lifeguard at Shawnee Leadership Institute

1949,Sept They moved to York Ave ,Towanda then to Chestnut St second floor apt. by 1950. As late as 1956 they were still there. After that they moved to a house on River St.

1950,Feb Humphrey Lumber Yards sold to Valley Lumber Company. (Ed Flynn, William Fitzgerald and Henry had two shares (tiebreaker). Ed Overton, owner, retired to Cal. I worked as a hand there in summer of 1951. It just about did me in. He hired my classmates. Ruth Remsnyder was a bookkeeper, Jim Ross did a summer tour in 1952, and later Chuck Rubert worked there full time! What a guy my dad was!

1950, April 18 William Fitzgerald ,Sr is killed in an auto accident at a bridge in Waverly . Dorothy continued as co-owner of the Lumber Yards. As an aside Billy told me he and his mother joined the Presbyterian church.

1953, Dec 11 he became a Shriner.

1951-1955 He and Margaret paid for my college education, which was about \$1000/yr! I worked summers and got paid for ROTC in addition to occasional jobs at State College. On May 8th, 1955 they came to Beaver House for mother's day. Little did they know what would happen next.

1955,May 10 Henry left Valley Lumber. In a vote Dorothy & Henry elected Henry as Director of Valley Lumber. Apparently Ed Flynn was livid, and did not offer Dorothy the full value her share of the yards, so she either took him to Towanda Court or this was tied up in the estate of William FitzGerald Sr. Jerry Fox (a partner of Flynn) must have then operated the Towanda Yard for a while. Clyde Bennett in Waverly did not get his \$Bonus & ask Henry to be a witness in court for him. During the next few months Henry was looking for a business to buy, and Dorothy was willing to back him for \$20,000 to buy the Ulster Yard, since my Dad's shares were tied up in the legal action.

1955, July 2 Sat.night. As an aside, I was home for the long weekend from Phila, and Billy Fitz & I hooked up somehow and went to the Keystone Inn & Thompsons in Waverly. Neither one of us seemed to know much about what was going on. On Monday Henry drove us to Reading for a Hart gathering, and then took me to Phila. They had breakfast with me on Tues & I went into work at the Frankfort Arsenal at 2:00 pm.

1955, Aug 15 He joins with Robert E Lee, the son-in law of a contractor, to form Wysox Lumber Co. I have a letter from my mother describing the opening, including flowers from Dorothy Fitzgerald and the 1st Nat'l Bank. It is very possible that Dorothy Fitzgerald backed my father or co-signed a note for the Wysox Lumber Yard.

1950's Both Henry and Margaret went bowling once a week at the Towanda alleys and later at the top of the hill in North Towanda. They both played a lot of cards. 500 parties, Hi Lo Jack in the game, pinochle, pitch, hearts , etc.

1956,Jan They came to State College & stayed at the Nittany Lion Inn for my graduation. Johanna Pomeroy said they were so proud.

1956, March He arranged with Dorothy Fitzgerald for a loan of \$400. so I could buy my first car. They were still in a legal court action over either the estate of William Fitzgerald,Sr or the sellout price of the Valley Lumber Yards.

1956,Dec He got someone on New Years day to replace an engine gasket in my 1952 Plymouth so I could go back to USAF flying school at Marianna , Fla. Wow, again he was there for me when needed.

1958 In an unfortunate incident involving Robert Lee, my Dad left (sold out?) the partnership in Wysox Lumber.

1958-1966 Bookkeeper,clerk at Meredith Bottling Works. Margaret did the same job during WW2 while Jimmy Meredith was away.

1960's He drove to Dayton & Kettering 3 times- sum 1961, Aug 1962 and 1965. They loaned me \$3500 to buy the Skyline Mobile home, which we brought in through Indiana at night. It exceeded the Ohio cab/trailer length of 60'. I used their picture from my 1962 wedding for an article in the Bradford Co History, publ 1995

1965,April They moved back to Monroeton to his childhood home - now numbered 310 Main.

1967 - 1972 He was part-time bookkeeper at Gulf Oil Co, East Towanda, Treasurer of Towanda Elks, Secretary of Monroeton Masonic Lodge, Secretary/Treasurer of Monroeton Borough Council and Secretary for a long time of the Naiad-Linta Fire Co of Towanda.

1968,April Leah, his mother, passed away. It's odd, but I never heard him mention Leah or Fred? In several mid 1950 's letters from Leah to me, she said he called her on the phone

1972,April He cleaned up the basement after Hurricane Agnes. It must have physically done him in. As Secretary for the Monroe Council he applied for all the Federal aid - lots of paperwork.

1972,April 29 Henry was on the building committee for renovating the closed Pres.Church into a Lodge Hall. He served as purchasing agent to secure needed materials, labored long and hard insuring the proper completion of all the planned renovation. At the Pa Grand Lodge for the dedication he received his 50 year Masonic service emblem. His masonic career included York and Scottish Rites in Towanda, Williamsport Consistory, Irem Temple Shrine, Wilkes-Barre, and its Bradford Co Shrine Club. He was very helpful with Instruction, and served 25 years as Blue Lodge Secretary!

1972 He was a lifetime member and maybe charter member of the Monroeton Gun Club at the top of the hill near Wheelerville,Pa, He was a member of the Presbyterian Church for 56 years most of the time belonging to Monroeton, although he must have sent his letter to Towanda after John & Margaret joined there in 1951. He was active in the Towanda Gun Club at Homet's Ferry and the

Monroeton Fire Co.

- 1972,Jun 11 Dr Tama said he was like a walking dead man. It must have been extremely hard to keep going. Yet in a letter he just planted his garden,which he did all his life. Yellow corn,cucumbers, salsify, asters, marygold, and zennias. Margaret and he were just out to a bowling banquet at Laceyville, and they danced once. When I joined them in late August in Atlantic City, he could barely walk. How lucky I was to spend a few days with him just before the end.
- 1972,Sept 8 Henry was burning cornstalks on the back of the lot and a gasoline can exploded. He was burned in the face and upper body, but would have recovered in the Towanda Hospital. Dr. Tama said his case was reviewed by a board. He had 100% blockage of the arteries - arteriosclerosis, He died Sept 11,1972 of myocardial infarction, and is buried in Monroeton cemetery with two generations of his family. There were a record number of masons, over 70, at the funeral service at the Maryott Funeral Home. Over 200 people signed the attendance book!
- 1980's The irony is that Henry, Margaret, Meredith Bottling Works and Humphreys all ended by fire.
- 2003 I am reminded of dad every night on TV with Paul Kangas, Business Report at 6:30 pm. He combed his white hair straight backwards. I'll always remember them. They'll always be in my heart.

1955, May Mother wrote me often while I was in college. Her letter after Henry left the Lumber Yard was a shocker. She did say she was happy I was almost finished with school, as they had enough money to allow me to finish regardless of what happens next.

1976, Dec 1 Headline in Towanda Daily Review **MONROETON WOMAN DIES IN HOUSE FIRE**  
Mrs. Mingos died Wednesday evening of smoke inhalation when her home caught fire .  
The body was removed to the Robert Packer Hospital, but I did not request an autopsy.  
Clayton & Jane Maryott handled the funeral. I gave a special hutch which Margaret had made to them for their dau. I ask for the Eastern Star to perform services, but I should have had the Rebekah's. It was a closed casket. We had a family dinner at Jack McGuire's in Towanda after the burial on Saturday. Lea Beers was with us for the whole time.  
"Some 6200 Americans die in home fires each year, and at least two - thirds of the deaths stem from inhalation of smoke and toxic gases."

1976, Dec 6 We spent six days in Towanda, three of which Jeanine sifted through the ashes. The living room was gutted and the rest of the apt. was smoke and heat damaged. There were no utilities and the temperature was 14 degrees? Needless to say, this was an ordeal. We stored some pieces of furniture that we choose to keep in James VanNess's barn ( also Class of 1951). Marshall Dawsey,

Polly Moore's ( also class of 1951) husband , was hired to do the probate.  
2003 My mother had an immense influence on my life. She and I got along really well, and we had a lot of laughs. May she find happiness and joy in her eternal life.

**67.** FRANCIS CARL<sup>7</sup> MINGOS (*FREDERICK E<sup>6</sup>, EDWARD E.<sup>5</sup>, ALONZO<sup>4</sup>, COONRAD<sup>3</sup>, CONRAD<sup>2</sup> MENGES, JR, J CONRAD<sup>1</sup>*) was born 14 February 1918 in Sayre Hosp, Bradford Co, PA, and died 6 November 2000 in Topeka, Ka Hospital, but Lawrence, Ka cemetery. He married VERA RUTH SCHRAG, daughter of PETER SCHRAG and KATIE STUCKY. She was born 23 May 1920 in Kingman, Kansas.

Notes for FRANCIS CARL MINGOS:

Family Knowledge: a lot always went by Carl

- 1918 b - probably an unplanned child. An awkward age spread between these male Mingos. 15 - 18 yrs difference between us - down to cousins John and Steven. Leah named her 1st son after her father, Henry Clay Snell. Where the name Carl came from is a mystery. Francis was his grandmothers name.
- 1923,Aug I have a picture from Henry/Leah's scrapebook showing Carl , a dog and the antique wooden wagon in front of the Main St house on a cement sidewalk. The back of a car is in the driveway. The wagon survived until the 1940's when I was a child. The sides folded up to form a flat top? My guess is this was a luggage wagon Fred got for Henry from the railroad station.
- 1930,Dec 25th Doris White of Monroeton gave Carl a book - Catamount Camp publ 1910 by Edward Ellis. I, John F Mingos, have this child's book, a story of boys on a trip to the mountains
- 1931,Sept Monroeton HS is still open. I have a 1931 picture of Fred, Carl and Henry in the Monroeton back yard. Carl is the same height as Fred, ca 5'11". He later became 6' 4". He played tennis at Rice's court in N Monroeton, and apparently played basketball, although not for Towanda HS. Once he and John Haines set off the Monroeton fire alarm. Henry was really mad. Frank Rice bought the Mingos farm in 1912 .
- 1934 Carl went 11 grades to Monroeton School and went to Towanda for a 12th grade, as did Henry. Check Towanda newspaper in late May/June for Monroeton HS graduates. In his Monroeton class were Mason Smith ( lives in Monroeton on Canton Ave in 2005), Helene Rice, John Haynes and Carl.
- 1935,Jun 7 Towanda HS graduation. 52nd annual commencement. While the 2nd episode of a presentation was prepared, Carl Mingos played two trumpet solos. There is a long article on microfilm at the BCHS from the Towanda Daily Review. College Prep graduates did not include Carl. Other grad's Helene Rice (Monroeton) , Herbert (Bud) Yanofsky and David Turner.
- 1936,Oct 26 Fred dies. Carl was a Sophomore at Mansfield. So Leah with no pension from Fred had to pay for Carl's college. That was a good enough reason for having Henry,Margaret & John to move into 310 Main St. But as Vera said, Leah would not co-sign Henry's mortgage after Fred died. Citizens Bk in Towanda assumed the Monroeton

assets & presumably the mortgage on the third house from the feed mill. The 1910 census says the 1905 house was mortgage free. At 19 yrs old, Fred's passing must have been upsetting for Carl. Also with Henry's family in the house, Carl would have been an extra guest when he was home from Mansfield - somehow they would have had to shift sleeping arrangements. Thus Carl's saying " he did not have a home".

1938, June 27 Monroeton High School closed (9,10 & 11th grades). Students now bussed to Towanda by Russell White. Source: 1995 Brad Co History, Pg 156

1939 Graduated 4 yr college with a BA degree in music . A search of Penn State Alumni index - Carl did not show up. His marriage article refers to Mansfield State Teachers college and Pennsylvania State Teachers college. The marriage article more correctly should say " a Pa State Teachers college" rather than "and". Mansfield Univ is still noted for its music education!

1939/40-40/41-41/? Taught music in Tunkhannock - boarded at Wilber & Helen Welch's. Taught Jimmy Welch to play the trumpet in Monroeton on visits home from Mansfield College, which he is still doing in 2005. The Welch's lived two houses south of the Marcy Hotel. It was prob not required that he have a teaching degree. Enlisted in Army Air Corp ( likely after Pearl Harbor- during school year?). He flew for a short while, became Lt, then downgraded to Sgt. and was a band leader for the rest of the war - 5 yrs.

1944, Nov 12 Schrag - Mingos Vows Exchanged Sunday

" In the Zion Mennonite Church, Kingman, Ka Sgt. F Carl Mingos and Vera Ruth Schrag. Sgt Mingos, a music major, is a graduate of Mansfield State Teachers College & Penn. State Teachers College. He was a member of Phi Mu Alpha Sino Fonia and was a music instructor before entering the army". No one attended from Monroeton.

1945, Dec 1st Carl was discharged from the 698th Army Band in Washington, DC. I have pictures in my high school album of Mom & Dad, me, Ruth & Wilson Maury & Carl at Mt Vernon, at the Capitol and at Bowling Air Base

1948 Vera / Carl on the front porch of Monroeton. He bought a King cornet for me as a birthday gift from Leah.

1950's Earned Masters degree at Kansas University. At some time here, Leah stayed with Carl and Vera when they lived at Tennessee Ave. I have 2 min. of 8 mm film taken in 1957 on my way to WPAFB.

1955 Carl and family returned to Towanda. Steven, age 5, remembers going to the mountain camp.

1960 - 1967 Investment broker, a partner, in Barrett, Fitch and North Investments

1960's He was an active member of Trinity Lutheran ch. & was choir director 10 years. He was an avid golfer (8 hndcp). He was a President of the Lawrence Country Club & President of the KU Football Quarterback Club.

1968, April Carl and Vera came back for Leah's funeral . They stood on the porch of the homestead and looked over to the graveyard for the burial. Something to do with a request of Leah?

1972, Sept 14 Vera and Carl come to Towanda/Monroeton for Henry's funeral . They had been in the Carolina's visiting Vickie and Charles.

1980's Parkinson's Disease began to affect his life.

1968-1998 Became Vice President and Manager of Paine Webber, Topeka, Ka

2000, Nov 6 passed through death to life with Christ at Select Specialty Hospital in Topeka, age 82 9 mos.
